RECOMMENDED CASH OFFER

FOR

APPLEGREEN PLC

BY

CAUSEWAY CONSORTIUM LIMITED

(A NEWLY FORMED COMPANY WHOLLY OWNED BY (i) B&J HOLDINGS LIMITED AND (ii) BLACKSTONE INFRASTRUCTURE PARTNERS)

TO BE IMPLEMENTED BY WAY OF A SCHEME OF ARRANGEMENT UNDER CHAPTER 1 OF PART 9 OF THE COMPANIES ACT 2014

Summary

- The board of Causeway Consortium Limited (“**BidCo**”) and the Independent Directors of Applegreen plc (“**Applegreen**”) are pleased to announce that they have reached agreement on the terms of a cash offer by BidCo, which has been unanimously recommended by the Independent Applegreen Board.
- BidCo, a newly formed company wholly owned by B&J Holdings Limited (“**B&J**”) and Blackstone Infrastructure Partners, will acquire the entire issued and to be issued share capital of Applegreen. B&J is wholly owned by Applegreen’s founders, Robert Etchingham and Joseph Barrett, and holds an approximately 41.3% shareholding in Applegreen.
- Under the terms of the Acquisition, Applegreen Shareholders will be entitled to receive:

for each Applegreen Share €5.75 in cash
- The Acquisition represents a premium of approximately:
 - 48.2% to Applegreen’s Closing share price of €3.88 on 9 December 2020 (being the last Business Day prior to the publication of the Possible Offer Announcement on 10 December 2020);
 - 50.6% to Applegreen’s volume weighted average share price of approximately €3.82 over the one month period ending on 9 December 2020; and

- 63.7% to Applegreen's volume weighted average share price of approximately €3.51 over the three month period ending on 9 December 2020.
- The Acquisition values the entire issued and to be issued share capital of Applegreen at approximately €718.1 million on a fully diluted basis.
- If any dividend or other distribution is authorised, declared, made or paid in respect of the Applegreen Shares on or after the date of this Announcement, BidCo reserves the right to reduce the consideration by the aggregate amount of such dividend or other distribution.
- Commenting on the Acquisition, Daniel Kitchen, Chairman of Applegreen, said:

“Over recent years, Applegreen has expanded operations to develop an enviable position as a leading roadside convenience retailer across Ireland, the UK and the US, combining a unique customer proposition with an effective business model to increase resilient non-fuel revenues.

The business has significant scope to further expand its footprint, which we believe will be best achieved in the private arena where the Group can benefit from the experience and capital of Blackstone as its partner, whilst maintaining the management and wider team which have driven the business forward to date.

The Independent Board is unanimously recommending the offer from BidCo, as it represents a compelling opportunity for independent shareholders to realise their investment in cash in the near term, and is at a significant premium to the prevailing share price. Importantly, this offer reflects the potential in the Applegreen business for future growth and is an endorsement of the significant achievements over recent years and the hard work put in by all Applegreen employees, for which I am extremely grateful.”

- Commenting on the Acquisition, Robert Etchingham and Joseph Barrett said:

“Over the last 28 years Applegreen has gone through many changes to become a major roadside retail business today with 559 locations across Ireland, the UK and the United States. This growth is a testament to the employees and the strong culture within Applegreen that have enabled us to identify and pursue attractive investment opportunities. Looking forward, Applegreen will transition its business through capital intensive highway projects and electric vehicle charging infrastructure to meet the needs of an evolving consumer. We believe private ownership is the appropriate structure for this transition and that in Blackstone Infrastructure Partners, with its long-term focus and its significant ability to accelerate our growth, we have found the right partner for the next stage of the Applegreen journey.”
- Commenting on the Acquisition, Sebastien Sherman, Senior Managing Director of Blackstone Infrastructure Partners, said:

“We are honoured to partner with Applegreen's visionary Founders, Bob Etchingham and Joe Barrett, to continue to build Applegreen's industry-leading portfolio of roadside retail outlets in Europe and the United States. We look forward to supporting Applegreen as its team continues to innovate and expand internationally.”
- It is intended that the Acquisition will be implemented by means of a High Court sanctioned scheme of arrangement under Chapter 1 of Part 9 of the Act (or, if BidCo elects, subject to the terms of the Transaction Agreement, compliance with the Irish Takeover Rules and with the consent of the Irish Takeover Panel, a Takeover Offer).

- The Acquisition is conditional on, among other things, (i) the approval by the Independent Applegreen Shareholders of the Scheme Meeting Resolution; (ii) the approval by the Applegreen Shareholders or the Independent Applegreen Shareholders (as appropriate) of the EGM Resolutions; (iii) the sanction of the Scheme by the High Court; and (iv) receipt of any necessary regulatory or other approvals.
- Having taken into account the relevant factors and applicable risks, the Independent Applegreen Board, which has been so advised by Goodbody, as financial adviser to Applegreen and Rule 3 adviser to Applegreen, as to the financial terms of the Acquisition, considers the terms of the Acquisition as set out in this Announcement to be fair and reasonable. In providing its advice to the Independent Applegreen Board, Goodbody has taken into account the commercial assessments of the Independent Applegreen Board. Accordingly, the Independent Applegreen Board unanimously recommends that Applegreen Shareholders vote in favour of the Acquisition and all of the Resolutions, as they have irrevocably committed to do in respect of their own beneficial holdings of, in aggregate, 145,658 Applegreen Shares which represent approximately 0.12% of the total issued share capital of Applegreen or 0.21% of the issued share capital of Applegreen excluding B&J as of 21 December 2020 (being the last practicable date prior to the publication of this Announcement).
- The Scheme Document, which will contain, amongst other things, further information about the Acquisition, notices convening the Scheme Meeting and the Extraordinary General Meeting, the expected timetable for completion and action to be taken by Applegreen Shareholders, will be published as soon as practicable.
- Rule 30.2 of the Irish Takeover Rules requires that, except with the consent of the Panel, and subject to Rule 2.7 of the Irish Takeover Rules, Applegreen must despatch the Scheme Document to Applegreen Shareholders within 28 days of the announcement of a firm intention to make an offer, being this Announcement. On 16 December 2020, following an application by Applegreen which was supported by the Consortium, the Panel agreed to grant Applegreen a derogation from Rule 30.2 given the extenuating circumstances concerning COVID 19 and directed that the Scheme Document be despatched to Applegreen Shareholders on a date ("the **Scheme Document Despatch Date**") no later than 5 February 2021. The Parties expect the Scheme Document Despatch Date to be a date before the end of January 2021.
- As the transaction is to be effected by a Scheme, Applegreen must convene a meeting of Applegreen Shareholders (or relevant classes of such shareholders) for the purpose of considering and approving the Scheme. In order to obtain directions as to the convening and holding of such meeting(s) Applegreen intends to apply to the High Court. The new High Court term commences on 11 January 2021. Given the current public health environment, High Court hearings are being held remotely and there is a risk that with the commencement of the new legal term and the need for virtual hearings, Applegreen may not obtain directions from the High Court regarding the convening of the shareholder meeting(s) in sufficient time to meet the deadline otherwise imposed by Rule 30.2. Accordingly, a long stop date of 5 February 2021 will provide sufficient time for Applegreen to obtain the necessary directions and to print and despatch the Scheme Document. Further, the overall transaction timeline should not be affected by such a despatch date given the review process pursuant to the EU Merger Regulation.
- It is anticipated that the Scheme will, subject to obtaining the necessary regulatory approvals, be declared effective in March 2021.

The sources and bases of information contained in this Announcement to calculate the implied value of the Acquisition are set out in Appendix III.

3. Applegreen Background to and Reasons for Recommending the Acquisition

Background and growth since IPO

Since Applegreen's initial public offering in June 2015, the Group has grown its site portfolio from 173 sites (112 sites across the Republic of Ireland, 57 sites across the UK and 4 sites in the US) to 559 sites as at 30 June 2020 (204 sites across the Republic of Ireland, 164 sites across the UK and 191 sites in the US). Applegreen is now the number one Motorway Service Area operator in the Republic of Ireland and the number two in the UK, with a significant and growing presence in the US.

Over the same period, the Group has grown EBITDA from €28.9 million in 2015 to €140.4 million in 2019 on a fully consolidated basis. This growth has been achieved via a combination of organic and acquisition-driven growth. The acquisition in October 2018 of a 50.01 per cent. stake in Welcome Break, a leading motorway service operator in the UK, provided a step change in the growth and development of the Group, enlarging its footprint in the UK towards motorway sites, increasing its food and beverage business and brand portfolio, and further reducing the Group's reliance on fuel dependent revenue streams.

The Group has also invested in growing its footprint in the US through strategic acquisitions and contracts including the Brandi Group with 42 sites acquired in 2017, 43 sites acquired in Florida in 2018, a group acquisition in the Midwest (46 sites) in 2019, and a minority interest in 23 sites in Connecticut Service Plazas. In September 2020, the Group confirmed that it was part of a consortium that had signed a 33-year conditional lease with New York State Thruway Authority (NYSTA) for the design, construction, financing, operation and maintenance of 27 motorway service areas on the New York State Thruway.

Rationale for recommendation

Whilst the Independent Directors remain cautious around the on-going uncertainty caused by COVID-19, they are confident that Applegreen is well positioned to benefit from the anticipated recovery in activity levels across its markets as restrictions begin to ease and the impact of vaccinations become evident.

Longer term, the Independent Directors also recognise the evolving sector dynamics, not least the transition to electric vehicles, and the changes which will be required to meet the needs of customers. This transition will require capital investment to ensure the business has the right infrastructure and capacity to take advantage of the significant opportunity in large motorway sites, across its jurisdictions.

Against this backdrop, in considering the terms of the Acquisition, the Independent Directors have taken into account a number of specific factors including:

- the Independent Directors are conscious of the constraints required by public equity markets in relation to leverage;
- the challenges associated with valuing the structurally complex ownership interests across the Applegreen portfolio, particularly within Welcome Break and the US operations;
- the Independent Directors are conscious of the ongoing near-term COVID uncertainty on the business and its employees. At the peak of the COVID crisis, 4,800 employees were placed on government furlough schemes, and the business had to negotiate with lenders to waive or relax financial covenants which constrains near-term capital expenditure;
- the Independent Directors believe that there are significant opportunities for the Company to pursue its growth strategy through both organic and acquisitive investment, particularly in the US where the Group has the potential to become a major operator in the service area sector, and believes the experience, capital and support of a long-term partner such as Blackstone Infrastructure Partners will help to unlock those opportunities;
- the Independent Directors believe the Acquisition will bring strategic benefits to Applegreen as Blackstone will be able to provide access to a significant pool of available capital to fund both organic investment and growth opportunities, an ability to focus on adapting to evolving sector trends such as the growing adoption of electric vehicles, a greater degree of flexibility on leverage, and will allow the Group to benefit from Blackstone's significant investment experience and access to opportunities across its markets including the US;
- the Independent Directors are aware that Applegreen continues to assess opportunities to acquire service area assets in markets such as the US, where the capital commitment required can be very significant. Bidding for these assets can require funding that requires material additional debt and the potential for substantial additional equity to be raised by Applegreen. The Independent Directors consider that having regard to the existing debt and capital structure of the Applegreen Group, accessing additional funds to both compete for and complete these potential acquisitions may prove to be difficult as a public company;

- the Acquisition allows Applegreen shareholders to realise their full investment in Applegreen for cash in the near term at an attractive valuation, which recognises the quality of Applegreen’s underlying business and its significant growth prospects;
- the Acquisition maintains current executive management within the business to drive forward the strategy with no plans to reduce the workforce;
- the Acquisition represents an attractive premium in cash for Applegreen shareholders of approximately:
 - 48.2% to Applegreen's Closing share price of €3.88 on 9 December 2020 (being the last Business Day prior to the publication of the Possible Offer Announcement on 10 December 2020);
 - 50.6% to Applegreen's volume weighted average share price of €3.82 over the one month period ending on 9 December 2020; and
 - 63.7% to Applegreen's volume weighted average share price of €3.51 over the three month period ending on 9 December 2020.

4. Recommendation of Independent Applegreen Board

Having taken into account the relevant factors and applicable risks, the Independent Applegreen Board, which has been so advised by Goodbody, as financial adviser to Applegreen and Rule 3 adviser to Applegreen, as to the financial terms of the Acquisition, considers the terms of the Acquisition as set out in this Announcement to be fair and reasonable. In providing its advice to the Independent Applegreen Board, Goodbody has taken into account the commercial assessments of the Independent Applegreen Board. Accordingly, the Independent Applegreen Board unanimously recommends that Applegreen Shareholders vote in favour of the Acquisition and all of the Resolutions, as they have irrevocably committed to do in respect of their own beneficial holdings of, in aggregate, 145,658 Applegreen Shares which represent approximately 0.12% of the total issued share capital of Applegreen or 0.21% of the issued share capital of Applegreen excluding B&J as of 21 December 2020 (being the last practicable date prior to the publication of this Announcement).

5. BidCo, B&J and Blackstone Infrastructure Partners Background to and Rationale for the Acquisition

Applegreen was established in 1992 and over the last 28 years has expanded through organic growth and acquisitions to become one of the leading companies in roadside retail. Applegreen today has 559 sites and has successfully expanded into new markets, including the UK and United States, and new segments, including motorway and highway sites.

The need to adapt and change will continue with the current environment requiring the business to meet the needs of an evolving consumer as well as the uptake of electric vehicles. The next stage of Applegreen's growth will require the funding of growth investments including site upgrades with a focus towards customer centricity and food to go, development of leading electric vehicle infrastructure and investment in new sites particularly in the US through projects such as the New York Thruway.

Through the partnership with Blackstone Infrastructure Partners, the Transaction will increase the debt and equity capital available to Applegreen to fund these projects including those with a longer term investment horizon.

Applegreen will also benefit from Blackstone Infrastructure Partners' skillsets, capabilities, experience and network in the United States and globally.

BidCo believes that the Transaction is therefore in the best interests of Applegreen's management, employees and the many stakeholders in the business. It also provides Applegreen shareholders an opportunity to realise their investment at an attractive premium in cash. B&J are very appreciative of the support of our public shareholders over the last five years as a leading public company.

Following completion of the Transaction, Robert Etchingham and Joseph Barrett will maintain their current management positions as CEO and COO respectively.

6. Irrevocable Commitments

BidCo has received irrevocable undertakings from all of the directors of Applegreen (excluding Robert Etchingham and Joseph Barrett), to vote in favour of the Scheme at the Scheme Meeting and each of the EGM Resolutions to be proposed at the Extraordinary General Meeting in respect of 145,658 Applegreen Shares, representing approximately 0.12% of the issued share capital of Applegreen or 0.21% of the issued share capital of Applegreen excluding B&J as of 21 December 2020 (being the last practicable date prior to the publication of this Announcement). The irrevocable undertakings will cease to have effect on the date on which the Scheme becomes Effective; or prior to that date if the Transaction Agreement is terminated in accordance with its terms.

7. Information on BidCo, B&J and Blackstone Infrastructure Partners

The current directors of B&J are Robert Etchingham and Joseph Barrett.

B&J will contribute its Applegreen Shares to BidCo for equity share capital in BidCo or its holding company and cash, which together imply a value per Applegreen Share to be contributed by B&J to BidCo which is no greater than the per Applegreen Share price payable to the Applegreen Scheme Shareholders pursuant to the Acquisition.

Blackstone is also one of the world's largest owners of real estate, with over \$170 billion of assets under management across a global platform.

8. Information on Applegreen plc

Applegreen is a public company registered in Ireland whose shares are admitted to trading on AIM and Euronext Growth. It is a roadside retailer focused on fuel, c-store and food to go with operations in Ireland, the UK and the US. Applegreen has pursued a growth strategy focused on acquiring and developing new sites in each of the three markets in which it operates. As at 30 June 2020 the business operated 559 sites, including 69 Motorway Service Area Sites and employed c. 11,145 people across its core territories

9. Structure of the Acquisition

Scheme

It is intended that the Acquisition will be effected by a High Court sanctioned scheme of arrangement in accordance with Chapter 1 of Part 9 of the Act. Under the Scheme, all Applegreen Shares held by Applegreen Shareholders, save for the B&J Excluded Scheme Shares, will be transferred to BidCo in accordance with the Scheme and BidCo will pay the Consideration to the relevant Applegreen Scheme Shareholders.

As a result of these arrangements, Applegreen will become a wholly-owned subsidiary of BidCo.

To become effective, the Scheme requires, amongst other things, the approval of the Scheme Meeting Resolution by a majority in number of Independent Applegreen Shareholders, present and voting either in person or by proxy at the Scheme Meeting, representing three-fourths (75%) or more in value of the Applegreen Shares held by such Independent Shareholders, as well as the approval by Applegreen Shareholders or Independent Applegreen Shareholders (as appropriate) of resolutions relating to implementation of the Scheme at the Extraordinary General Meeting to be held directly after the Scheme Meeting.

Application to the High Court to sanction the Scheme

Once the approvals of the Applegreen Shareholders have been obtained at the Scheme Meeting and the Extraordinary General Meeting, and the other Conditions have been satisfied or (where applicable) waived, an application will be made to the High Court to sanction the Scheme under the Act.

Subject to the sanction of the High Court, the Scheme will become Effective in accordance with its terms on delivery to the Registrar of Companies of the Court Order. Upon the Scheme becoming Effective, it will be binding on all

Applegreen Scheme Shareholders, irrespective of whether or not they attended or voted at the Scheme Meeting or Extraordinary General Meeting, or whether they voted in favour of or against the Scheme.

Full details of the Scheme to be set out in the Scheme Document

The Scheme will be governed by the laws of Ireland. The Scheme will be subject to the applicable requirements of the Irish Takeover Rules and, where relevant, the applicable rules and regulations of the Act.

The Scheme is subject to the satisfaction (or, where applicable, waiver) of the Conditions and the full terms and conditions to be set out in the Scheme Document. Further details of the Scheme, including the notices of the Scheme Meeting and separate Extraordinary General Meeting required to approve the Resolutions, expected timetable and the action to be taken by Applegreen Shareholders, will be set out in the Scheme Document.

Conditions to the Acquisition

The Acquisition shall be subject to the Conditions and further terms set out in full in Appendix I to this Announcement and to be set out in the Scheme Document.

Scheme timetable and further information

The Scheme Document, which will contain, amongst other things, further information about the Acquisition, notices convening the Scheme Meeting and the Extraordinary General Meeting, the expected timetable for completion and action to be taken by Applegreen Shareholders, will be published as soon as practicable.

Rule 30.2 of the Irish Takeover Rules requires that, except with the consent of the Panel, and subject to Rule 2.7 of the Irish Takeover Rules, Applegreen must despatch the Scheme Document to Applegreen Shareholders within 28 days of the announcement of a firm intention to make an offer, being this Announcement. On 16 December 2020, following an application by Applegreen which was supported by the Consortium, the Panel agreed to grant Applegreen a derogation from Rule 30.2 given the extenuating circumstances and directed that the Scheme Document be despatched to Applegreen Shareholders on a date ("the **Scheme Document Despatch Date**") no later than 5 February 2021. The Parties expect the Scheme Document Despatch Date to be a date before the end of January 2021.

As the transaction is to be effected by a Scheme, Applegreen must convene a meeting of Applegreen Shareholders (or relevant classes of such shareholders) for the purpose of considering and approving the Scheme. In order to obtain directions as to the convening and holding of such meeting(s) Applegreen intends to apply to the High Court. The new High Court term commences on 11 January 2021. Given the current public health environment, High Court hearings are being held remotely and there is a risk that with the commencement of the new legal term and the need for virtual hearings, Applegreen may not obtain directions from the High Court regarding the convening of the shareholder meeting(s) in sufficient time to meet the deadline otherwise imposed by Rule 30.2. Accordingly, a long stop date of 5 February 2021 will provide sufficient time for Applegreen to obtain the necessary directions and to print and despatch the Scheme Document. Further, the overall transaction timeline should not be affected by such a despatch date given the review process pursuant to the EU Merger Regulation.

It is anticipated that the Scheme will, subject to obtaining the necessary regulatory approvals, be declared effective in March 2021.

10. **Effect of the Scheme on Applegreen Share Plans**

In accordance with Rule 15 of the Irish Takeover Rules, BidCo will make appropriate proposals to participants in Applegreen Share Plans in relation to the Applegreen Options. Participants will be contacted separately, at the time of publication of the Scheme Document, regarding the effect of the Acquisition on the Applegreen Options under the Applegreen Share Plans and the relevant details will be summarised in the Scheme Document.

11. **Financing of the Acquisition**

The Acquisition is to be funded through the internal resources of B&J and Blackstone Infrastructure Partners acting through BidCo, as follows:

- contribution by B&J to BidCo of its Applegreen Shares in exchange for equity share capital of BidCo or its holding company and cash – thereby retaining a very significant stake in the Applegreen business.
- cash subscription by Blackstone Infrastructure Partners from its own resources for equity share capital and other investment instruments of BidCo or its holding company.

Goldman Sachs International, as financial adviser to BidCo, is satisfied that sufficient resources are available to BidCo to satisfy in full the Consideration payable to Applegreen Scheme Shareholders under the terms of the Scheme.

In addition, Goldman Sachs Lending Partners LLC has underwritten committed standby financing for €335 million to refinance Applegreen's existing debt and support its future growth, to the extent necessary, following completion of the Acquisition. The committed debt financing does not form part of the financing for the Acquisition.

12. **Management, Employees, Operations and Governance**

Existing employment rights and pensions

BidCo attributes significant value to Applegreen's existing management and employees, believes the Acquisition is in their best interests, and is focused on ensuring that roles and responsibilities across the employee base remain constant, with a continuing operational drive to service the Group's customer base. BidCo would expect the existing personnel of Applegreen to continue to contribute to the business following completion of the Acquisition, and does not intend to initiate any headcount reductions within the current Applegreen organisation as a result of the Acquisition.

BidCo confirms that, following the Scheme becoming effective, the existing contractual and statutory employment rights, including in relation to pensions, of all Applegreen management and employees will be fully safeguarded in accordance with applicable law. BidCo does not intend to make any material change to the conditions of employment of the employees of Applegreen.

In addition, it is the intention of Consortium to retain Applegreen's headquarters in Dublin, Ireland.

Management incentive arrangements

BidCo has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of Applegreen's management. It is the intention to put in place an attractive performance-related incentive scheme for certain members of the Applegreen management team following the Effective Date.

Operational Management and Governance arrangements

BidCo has confirmed that Applegreen and Blackstone Infrastructure Partners will operate joint governance arrangements at Board level, with existing management continuing to drive day-to-day operations. The Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and senior teams will remain in place and maintain the Group's strong relationships with its customers, suppliers and the various partner brands. The Group will also retain its core values and focus on people and culture.

13. Acquisition related arrangements

Transaction Agreement

B&J, Blackstone Infrastructure Partners, BidCo and Applegreen have entered into a Transaction Agreement dated 21 December 2020 which contains certain assurances in relation to the implementation of the Scheme and other matters related to the Acquisition. A summary of the principal terms of the Transaction Agreement will be set out in the Scheme Document.

The Transaction Agreement provides that where the Independent Applegreen Board determines that an Applegreen Superior Proposal has been received, Applegreen will provide BidCo with an opportunity, for a period of six Business Days from the time of the receipt by BidCo of notice in writing from Applegreen confirming that the Independent Applegreen Board has determined that an Applegreen Superior Proposal has been received together with details of the material terms of such Applegreen Superior Proposal, to increase or modify the Consideration such that the Applegreen Superior Proposal would not constitute an Applegreen Superior Proposal.

Expenses Reimbursement Agreement

Applegreen has entered into an Expenses Reimbursement Agreement on 21 December 2020 with B&J, Blackstone Infrastructure Partners and BidCo. Each of Goodbody and the Independent Directors has confirmed in writing to the Panel that, in the opinion of Goodbody and the Independent Directors (respectively), in the context of the note to Rule 21.2 of the Takeover Rules and the Acquisition, the Expenses Reimbursement Agreement is in the best interests of the Applegreen Shareholders. The Panel has consented to Applegreen entering into the Expenses Reimbursement Agreement.

Under the Expenses Reimbursement Agreement, Applegreen has agreed to pay to BidCo in certain circumstances set out below an amount equal to all documented, specific and quantifiable third party costs and expenses incurred by BidCo, or any member of the B&J Group or the Blackstone Group, or on its or their behalf, for the purposes of, in preparation for, or in connection with the Acquisition, including legal, financial, accounting, property and commercial due diligence, arranging financing and engaging advisers to assist in the process, provided that the gross amount payable by Applegreen to BidCo shall not, in any event, exceed €4,295,565 (being 1% of the total value of the issued and to be issued share capital of Applegreen that is the subject of the Acquisition, and excluding any shares in Applegreen which are beneficially owned by any member of the B&J Group, the Blackstone Group, BidCo or any Concert Parties of the foregoing).

The amount payable by Applegreen to BidCo under such provisions of the Expenses Reimbursement Agreement will exclude any amounts in respect of VAT incurred by BidCo or any member of the B&J Group or the Blackstone

Group attributable to such third party costs other than Irrecoverable VAT incurred by BidCo and/or such member of the B&J Group or the Blackstone Group on such costs.

The circumstances in which such payment will be made are if:

- (a) the Transaction Agreement is terminated:
 - (i) by BidCo for the reason that the Independent Applegreen Board (except where a definitive agreement in respect of an Applegreen Alternative Proposal shall have been entered into and has been formally publicly disclosed by Applegreen) withdraws (or modifies in any manner adverse to BidCo) or proposes publicly to withdraw (or modify in any manner adverse to BidCo), the Scheme Recommendation or, if applicable, the recommendation to the holders of Applegreen Shares from the Independent Applegreen Board to accept the Takeover Offer, and

the Acquisition subsequently lapses or is withdrawn (it being understood, for the avoidance of doubt, that the provision by Applegreen to Bidco of notice or information in connection with an Applegreen Alternative Proposal or Applegreen Superior Proposal as required or expressly permitted by the Transaction Agreement shall not, in each case, in and of itself, constitute a circumstance referred to in this paragraph (a)(i)); or
 - (ii) by Applegreen, upon written notice at any time following delivery of a Final Recommendation Change Notice under and in accordance with the Transaction Agreement and (i) the Acquisition subsequently lapses or is withdrawn and (ii) an Applegreen Alternative Proposal is consummated, or a definitive agreement providing for an Applegreen Alternative Proposal is entered into (provided such Applegreen Alternative Proposal is subsequently consummated pursuant to that definitive agreement) within 12 months after the date of the Rule 2.5 Announcement; or
- (b) all of the following occur:
 - (i) prior to the Scheme Meeting (or, in the case of a Takeover Offer prior to the Final Closing Date), an Applegreen Alternative Proposal is formally publicly disclosed by Applegreen or any person shall have formally publicly announced an intention (whether or not conditional) to make an Applegreen Alternative Proposal and, in each case, such disclosure or announcement is not publicly withdrawn without qualification at least three Business Days before the date of the Scheme Meeting or in the case of Takeover Offer, the Final Closing Date; and
 - (ii) the Transaction Agreement is terminated by BidCo for the reason that Applegreen shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in the Transaction Agreement, which material breach or failure to perform:
 - (A) would result in a failure of any of the Conditions; and
 - (B) is not reasonably capable of being cured by the End Date or, if curable, BidCo shall have given Applegreen written notice, delivered at least 30 days prior to such termination, stating BidCo's intention to terminate the Transaction Agreement pursuant to clause 10.1.6 of the

Transaction Agreement and the basis for such termination and such breach, failure to perform or inaccuracy shall not have been cured within 30 days following the delivery of such written notice or, if earlier, by the End Date; and

- (iii) an Applegreen Alternative Proposal is consummated, or a definitive agreement providing for an Applegreen Alternative Proposal is entered into (provided such Applegreen Alternative Proposal is subsequently consummated pursuant to that definitive agreement) within 12 months after the date of the Rule 2.5 Announcement (in each case regardless of whether such Applegreen Alternative Proposal is the same Applegreen Alternative Proposal referred to in paragraph (b)(i); or
- (c) all of the following occur:
- (i) prior to the Scheme Meeting (or, in the case of a Takeover Offer prior to the Final Closing Date), an Applegreen Alternative Proposal is formally publicly disclosed by Applegreen or any person shall have formally publicly announced an intention (whether or not conditional) to make an Applegreen Alternative Proposal and, in each case, such disclosure or announcement is not publicly withdrawn without qualification at least three Business Days before the date of the Scheme Meeting or, in the case of a Takeover Offer, the Final Closing Date; and
 - (ii) the Transaction Agreement is terminated by either Applegreen or BidCo for the reason that the Scheme Meeting or the EGM shall have been completed and the Scheme Meeting Resolution or the EGM Resolutions, as applicable, shall not have been approved by the requisite majority of votes (or, in the case of a Takeover Offer, the Final Closing Date having passed without the Takeover Offer becoming unconditional as to acceptances); and
 - (iii) the Applegreen Alternative Proposal referred to in paragraph (c)(i) above is consummated, or a definitive agreement providing for an Applegreen Alternative Proposal is entered into (provided such Applegreen Alternative Proposal is subsequently consummated pursuant to that definitive agreement), in each case with the person referred to in paragraph (c)(i) within 12 months after the date of the Rule 2.5 Announcement, or an Applegreen Alternative Proposal is consummated, or a definitive agreement providing for an Applegreen Alternative Proposal is entered into (provided such Applegreen Alternative Proposal is subsequently consummated pursuant to that definitive agreement), with a person who is not connected in any way to the person referred to in paragraph (c)(i) above within 12 months after the date of the Rule 2.5 Announcement.

14. Delisting and Cancellation of Trading of Applegreen Shares

An application will be made to Euronext Dublin and the London Stock Exchange prior to the Effective Date to cancel the admission of the Applegreen Shares to trading on the Euronext Growth Market and AIM respectively, with effect from shortly after the Effective Date, subject to and following the Scheme becoming Effective.

It is intended that dealing in Applegreen Shares on the Euronext Growth Market and AIM will be suspended after the Court Order issues.

As soon as is reasonably practicable following the Effective Date, it is intended that Applegreen will be re-registered as a private company limited by shares.

In the interests of confidentiality, B&J, Blackstone Infrastructure Partners and BidCo have each made only limited enquiries in respect of certain parties who may be deemed by the Irish Takeover Panel to be Acting in Concert with it for the purposes of the Acquisition. Disclosure requirements of the Irish Takeover Rules

Under the provisions of Rule 8.3 of the Irish Takeover Rules, if any person is, or becomes, ‘interested’ (directly or indirectly) in, 1% or more of any class of ‘relevant securities’ of Applegreen, all ‘dealings’ in any ‘relevant securities’ of Applegreen (including by means of an option in respect of, or a derivative referenced to, any such ‘relevant securities’) must be publicly disclosed by not later than 3.30 pm (Irish time) on the ‘business day’ in Dublin following the date of the relevant transaction. This requirement will continue until the date on which the ‘offer period’ ends. If two or more persons co-operate on the basis of any agreement, either express or tacit, either oral or written, to acquire an ‘interest’ in ‘relevant securities’ of Applegreen, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules.

Under the provisions of Rule 8.1 of the Irish Takeover Rules, all ‘dealings’ in ‘relevant securities’ of Applegreen by BidCo, Blackstone Infrastructure Partners or B&J, or by any party Acting in Concert with BidCo, Blackstone

Infrastructure Partners or B&J, must also be disclosed by no later than 12:00 noon (Irish time) on the business day in Dublin following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose ‘relevant securities’ ‘dealings’ should be disclosed, can be found on the Irish Takeover Panel’s website at www.irishtakeoverpanel.ie.

‘Interests in securities’ arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an ‘interest’ by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Irish Takeover Rules, which can also be found on the Irish Takeover Panel’s website. If you are in any doubt as to whether or not you are required to disclose a dealing under Rule 8, please consult the Irish Takeover Panel’s website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel on telephone number +353 1 678 9020.
